

# 2023 Training Schedule

## Adjuster Basics Course – The ABC's of Adjusting

4-Day Course | \$300\*

This course is designed to prepare you for a career in adjusting! You will gain an understanding of adjusting basics such as licensing & compliance, certifications, equipment, customer service techniques, software skills, product identification, time management, scoping and how to bring it all together to become a successful insurance adjuster. This course is designed for low student to instructor ratio to ensure a high volume of interaction with industry professionals!

\*\$300 refunded if the adjuster accepts a deployment with Alacrity within 18 months.

### DATES:

February 20-23  
March 20-23
