Training Schedule

Adjuster Basics Course – The ABC’s of Adjusting

4-Day Course | \$300*

This course is designed to prepare you for a career in adjusting! You will gain an understanding of adjusting basics such as licensing & compliance, certifications, equipment, customer service techniques, software skills, product identification, time management, scoping and how to bring it all together to become a successful insurance adjuster. This course is designed for low student to instructor ratio to ensure a high volume of interaction with industry professionals!

*\$300 refunded if the trainee accepts a deployment with Alacrity within 18 months.

DATES:

February 5-8
March 11-14
April 8-11
May 6-9
June 3-6
July 15-18
August 19-22
December 9-12

LOCATION:

Alacrity Solutions - Training Center
5150 Regent Blvd
Irving, TX 75063

ABC Desk-Only Course

3-Day Course | \$250**

February 19-21

**\$250 refunded if the adjuster accepts a deployment with Alacrity within 18 months.

Rope & Harness Training

1-Day Course | \$200*

Looking to elevate your adjusting skill set? Then look no further. Join us at our climate controlled facility for a 1-day rope and harness training to obtain the fundamental skills needed to access steep and high roofs safely. This course will cover the following topics:

- Equipment selection and care
- Proper knot tying and usage
- Identifying proper anchor points
- Ladder safety
- Rope and harness limitations
- Putting it all together and climbing roof pitches from an 8/12 up to 16/12

*\$100 refunded if the trainee attends the class.

DATES:

February 9
March 15
April 12
May 10
June 7
July 19
August 23
December 13

LOCATION:

Alacrity Solutions - Training Center
5150 Regent Blvd
Irving, TX 75063
